OURFACTORY

You can get the reasonable price with best quality here.

Professional sales team, over 15 years experience in producing PVC Space Divider Screen Fabric, Over 10 years OEM&ODM finished product experience, we are a factory produces pvc tarpulin in Haining , The greatest feature of our PVC Space Divider Screen Fabric is stable and durable quality.

Superior UV Protection

Fire Prevention

puncture protection

No odor

printable

▶ **UV resistant:**

The GSTRP PVC tarps are all UV-protected, which is a very important feature for it, by taking into account the surface and coating, it consists of a 6-layer barrier against UV rays.

▶ **Self-cleaning:**

surface treatment, acrylic or PVDF, the surface is very smooth, dust or other dirt is difficult to adhere to it, with good self-cleaning.

▶ **Heat insulation:**

The PVC coated fabric is formulated so that the coating is flame retardant, an extra layer of security is added to protect against sub-ultraviolet rays, and has good insulation against heat sources.

▶ **Wear-resistant:**

The fabric surface is very smooth, the surface coating is arranged tightly via surface acrylic or PVDF treatment techniques, the hardness is very high, resisting all kinds of wear and tear, so it is very wear-resistant.
