### Various Attractive Leather Patterns :

Embossed vinyl fabric is also called PVC Embossed fabric, which is different from ordinary PVC fabric in that it can be pressed with various patterns, such as floor patterns and various leather patterns. It has the same softness as leather and is 100% waterproof. Its price is lower than leather and it can replace leather in many places, such as bags, clothes, furniture, etc.

Professional sales team, over 15 years experience in producing PVC Laminated Tarpaulin, Over 10 years OEM&ODM finished product experience, we are a factory produces pvc tarpulin in Haining, The greatest feature of our PVC Laminated Tarpaulin is stable and durable quality.

You can get the reasonable price with best quality here.

### Properties of Embossed vinyl fabric:

 Durable

 Long life / Long life

 Recyclable / Self cleaning

 heat insulation / Colour fastness

 Smooth surface / 100%waterproof

 Puncture resistant / Super tear strength

#### Durability:

The PVC coated fabric is produced by imported equipment, the product structure is advanced, has a solid surface, has a strong resistance to prevent tear, this is one of the biggest features of our products, the quality is very stable, with long life cycle, there is a very excellent durability.

#### Smooth surface:

The graphic cloth is made by lamination or coating, and with the special treatment on the surface, the surface is very smooth.

#### Colors customizable:

We can make any colors as customers's samples or Pantone colors number or RAL color number. we have automatic color matching equipment, manually matching the color is not needed, which is our advantages.
