# PVC clear mesh bag fabric-Factory wholesale

PVC clear mesh bag fabric is also known as PVC clear mesh vinyl bag fabric. It is made by laminating high-purity PVC onto a mesh base, with additional components to enhance heat resistance, abrasion resistance, tear strength, tensile strength, toughness, and flexibility. It is super transparent, 100% waterproof, and remains clear without yellowing over long-term use.

## Properties of pvc clear mesh bag fabric:

Durable/Long life/Recyclable

Vivid colour/Air tightness

Antibacteria/Self cleaning

heat insulation/Colour fastness

Smooth surface

100%waterproof

Puncture resistant

Super tear strength

Various eco-friendly inks can be used to print different patterns, with colors that are clean and beautiful, and do not fade. Easy to clean, stylish, and practical, it is an excellent material for making bags, tablecloths, and other high-quality items.

## Durability:

The PVC coated fabric is produced by imported equipment, the product structure is advanced, has a solid surface, has a strong resistance to prevent tear, this is one of the biggest features of our products, the quality is very stable, with long life cycle, there is a very excellent durability.

## Scratch resistant:

The PVC coated fabric is a kind of liquid PVC uniformly coated on top of the base cloth, the upper and lower two surfaces are smooth and strong, and polyester base cloth on the high strength, can prevent sharp objects scratch or puncture, with good scratch resistance

## Wear-resistant:

The fabric surface is very smooth, the surface coating is arranged tightly via surface acrylic or PVDF treatment techniques, the hardness is very high, resisting all kinds of wear and tear, so it is very wear-resistant.

## Smooth surface :

The graphic cloth is made by lamination or coating, and with the special treatment on the surface, the surface is very smooth.

## Colors customizable :

We can make any colors as customers's samples or Pantone colors number or RAL color number. we have automatic color matching equipment, manually matching the color is not needed, which is our advantages.

Wear resistant and  
scratch resistant
